Affordable Independent Homes @ BN Reddy Nagar, Hyderabad.

WE MAKE HOMES THAT ARE ENDEARING

CMR Infra Developers is an offering of Independent Duplex Homes, a team that always looks to give an experience, most than just a home.

The thing that makes the group different is its focus to create a quality life in the real sense of the phrase.

And that you'll see reflecting in the homes we build.
If you ask us what sets us apart, we'd say it's our attention to quality and a desire to create homes with perfection.
